NORTHWESTERN

STATE COLLEGE

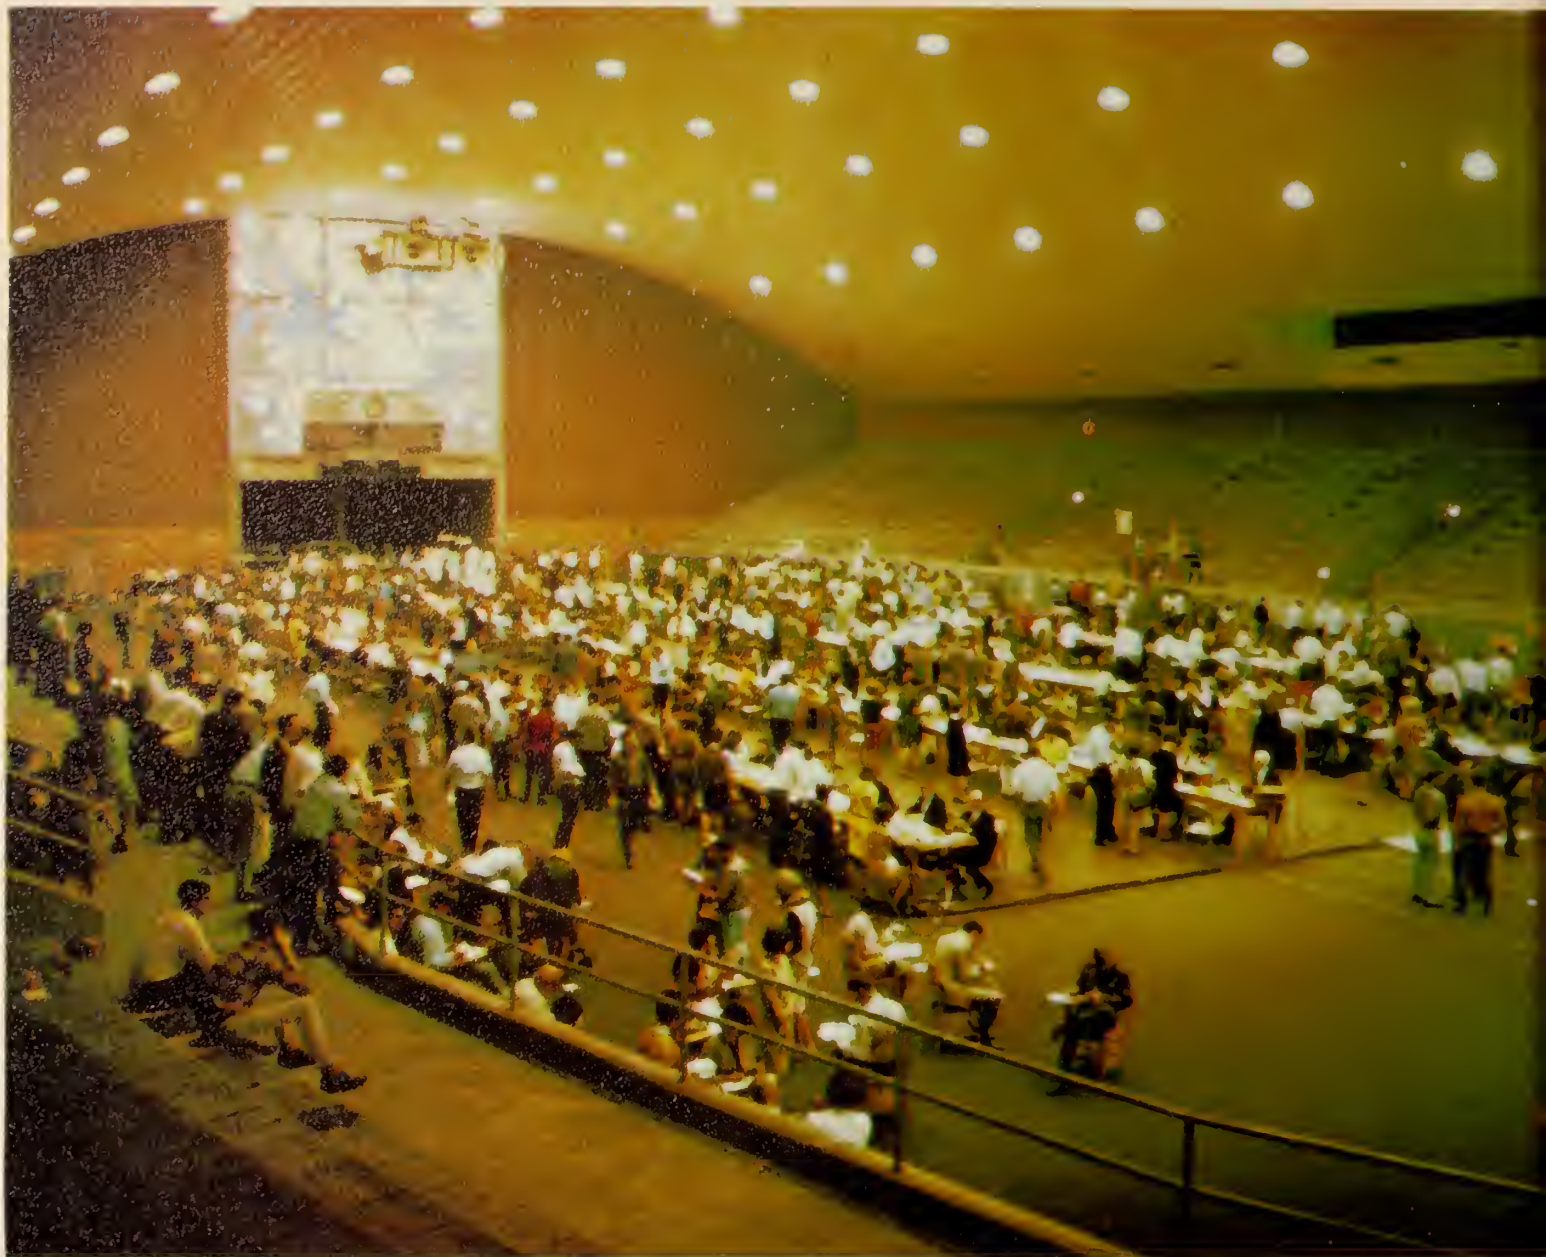

This is Northwestern State College, 1968. All will remember, but no one remembers all. A diary, a scrapbook, a record of that one special event which made this year special. Memories—hence, the 1968 POTPOURRI.

For some, the thrill and confusion of adjusting to dorm life for the first time will be remembered forever. Meeting new friends, learning dormitory rules the hard way, trying to cram an entire lifetime of collected belongings into one small room—all are a part of the adjustment. 1968—a year of adjustment.

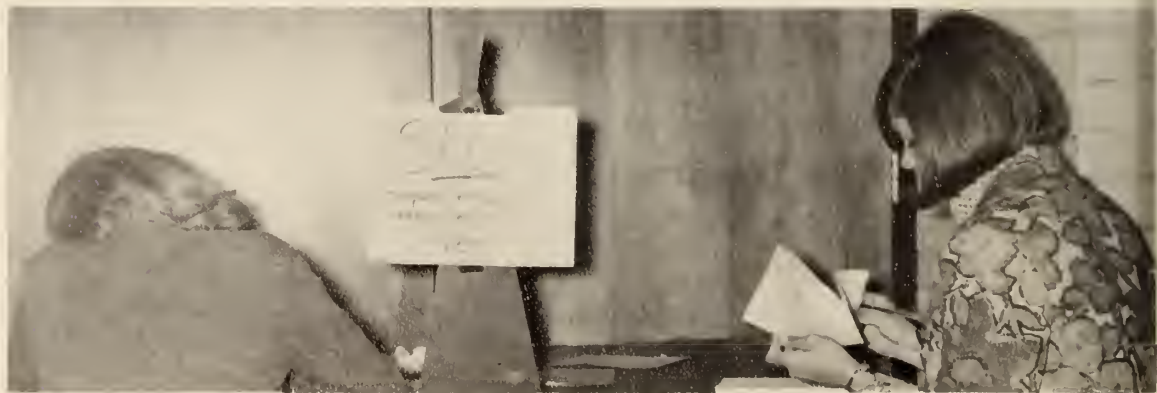

Evidence of the continuing growth and expansion demonstrated by this 83-year old institution was the record high enrollment for the 1968 Fall semester of some 6300 students. And to fill the continuing need for classroom facilities, construction of a new Arts & Sciences building was begun. 1968—a year of progress.

Many new departments were established this year at NSC bringing the total to 31. In addition, a separate School of Business now provides students a wider range of subject fields. Students can prepare for any number of professions and receive competent instruction. 1968—a year of academic improvement.

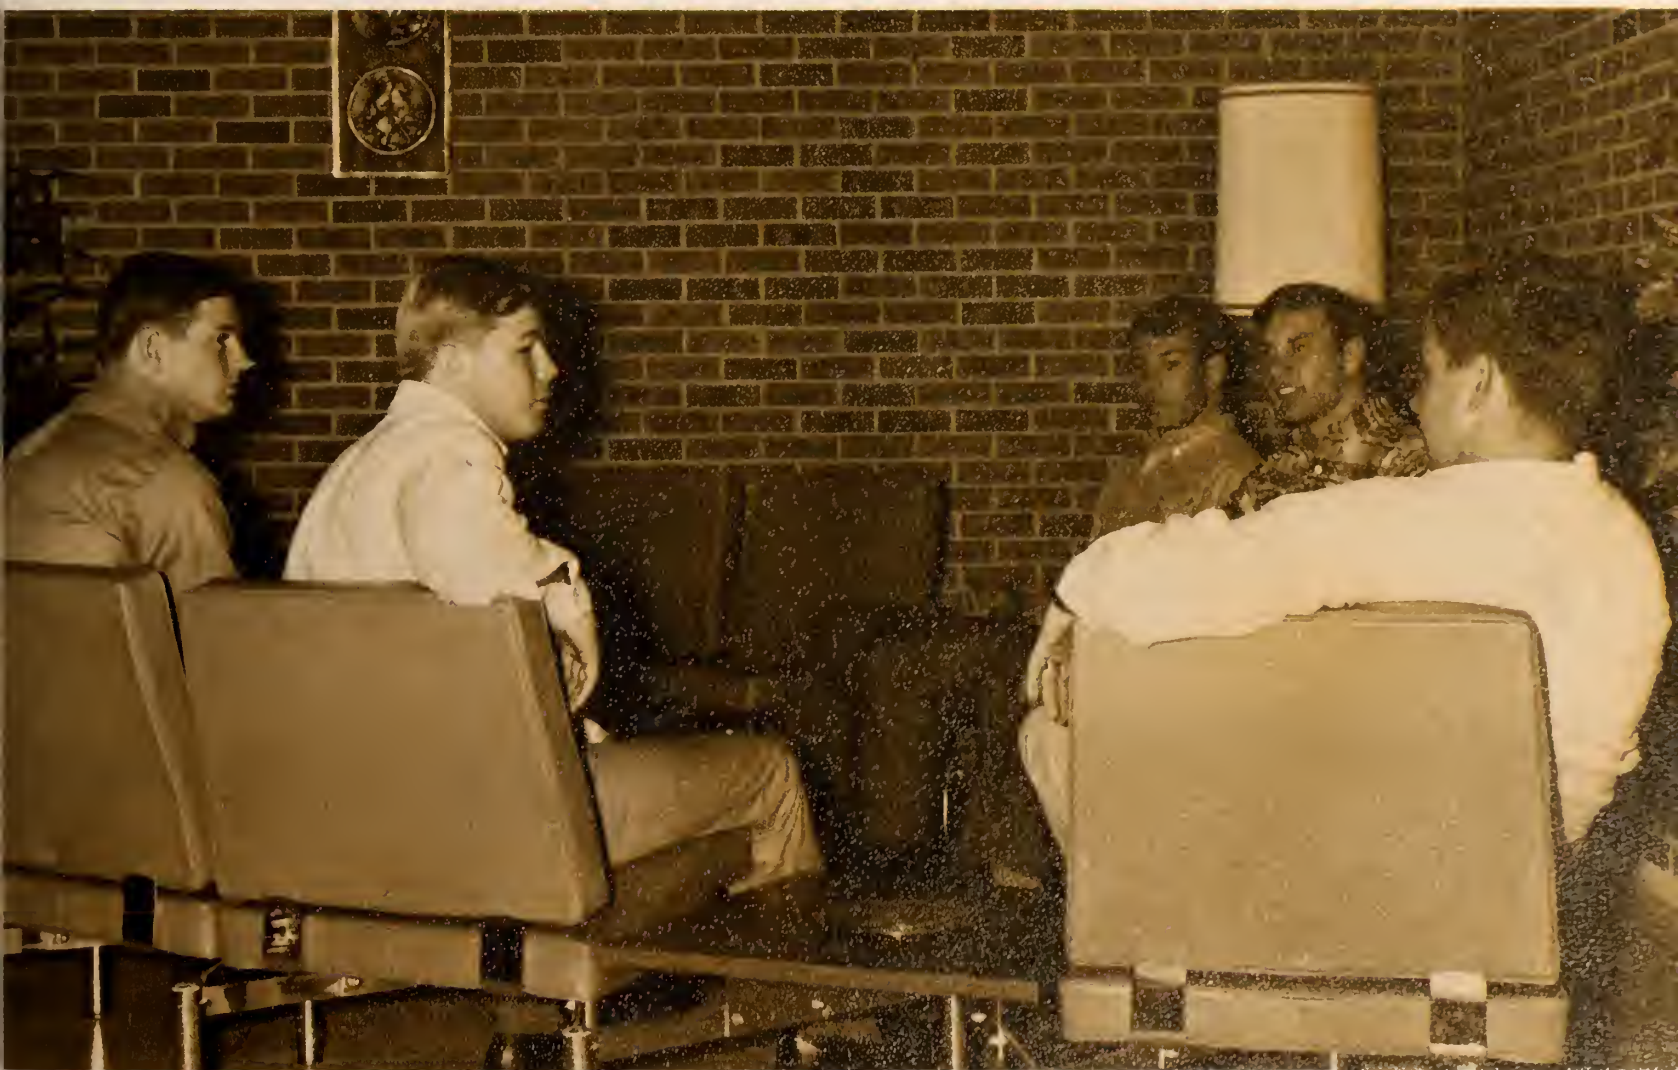

This was the best year yet for the annual Lady of the Bracelet beauty pageant. The contest, formerly sponsored by the Potpourri, was conducted this year by the Student Government Association. The public was invited to attend as contestants were judged not only on the basis of beauty, but on poise and talent as well.

But it's not all work. NSC students can enjoy the many opportunities available for relaxation and leisurely fulfillment at the still new student union building. Likewise, other types of entertainment are provided year round for students and faculty alike.

The Demons had a relatively successful football season in 1968 with 6 wins and 3 losses. Likewise, NSC students enjoyed a thrilling basketball season as well as spectacular spring sports such as gymnastics, track, and baseball. Athletics in any college system can never be overemphasized.

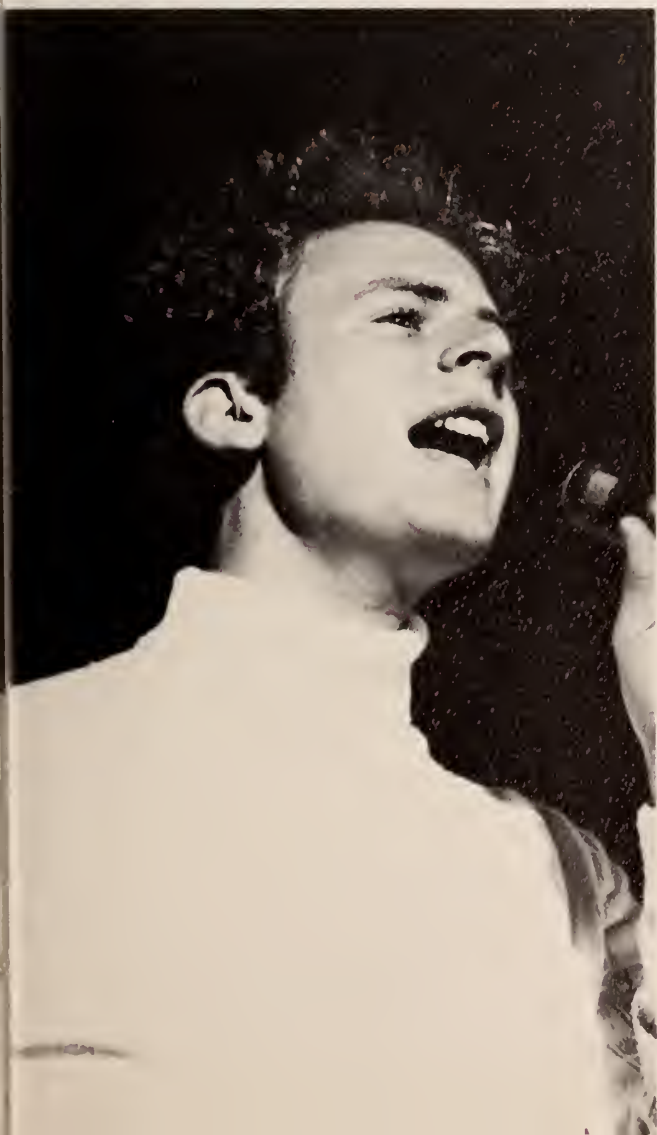

Extracurricular activity is highly regarded at Northwestern. Membership in any club or organization provides opportunities for building a well-rounded character. Whether it be honor groups, professional groups, or social clubs, they provide outlets for expression and bases for developing personality and professionalism.

Entertainment takes all forms. Whether it be exciting half-time football performances by our own students or performances by professional entertainers like Simon and Garfunkle, the Platters, and the Serendipity Singers, year-round entertainment prevails at Northwestern

EAST VARNADO

*"We Wish You A
Merry Christmas"*

The Christmas spirit really takes effect at Northwestern when the Associated Women Students sponsor their annual Christmas at Home. Each dormitory builds a Christmas display around a pre-determined theme. The displays are set up in Varnado Drawing Room for all to see.

Everybody loves a parade. And that is only one of the many attractions of the annual Natchitoches Christmas festival. An event to which people flock from all over the state, this year's festival featured over 400,000 lights along with a colorful and exciting fireworks demonstration.

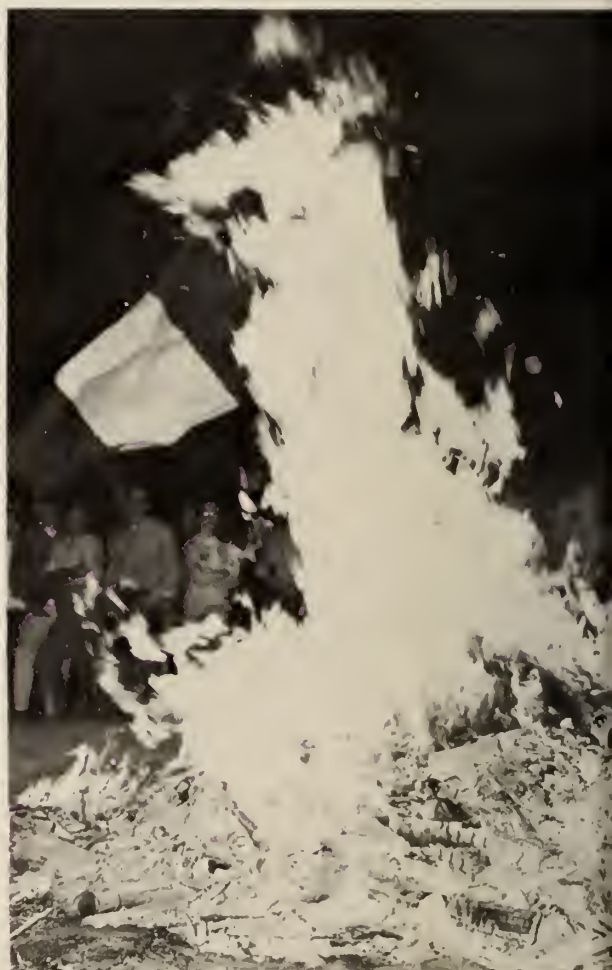

There's never a dull moment at NSC. And you can always expect the unexpected. Take for instance the heavy snowfall, a novelty on our campus, that left 4 inches of snow on the ground. Fun and excitement abounds all year round.

One of the biggest annual events at NSC is the State Fair game in Shreveport. The festivities begin a week before the game with parades and pep rallies every night climaxed by the traditional burning of the bulldog. 1968—we beat Tech again!

Whatever the reason, activity is the keynote of everyday. Planned and unplanned social events or gatherings of any nature are not uncommon. This is typical of NSC because NSC is a typical college with typical people.

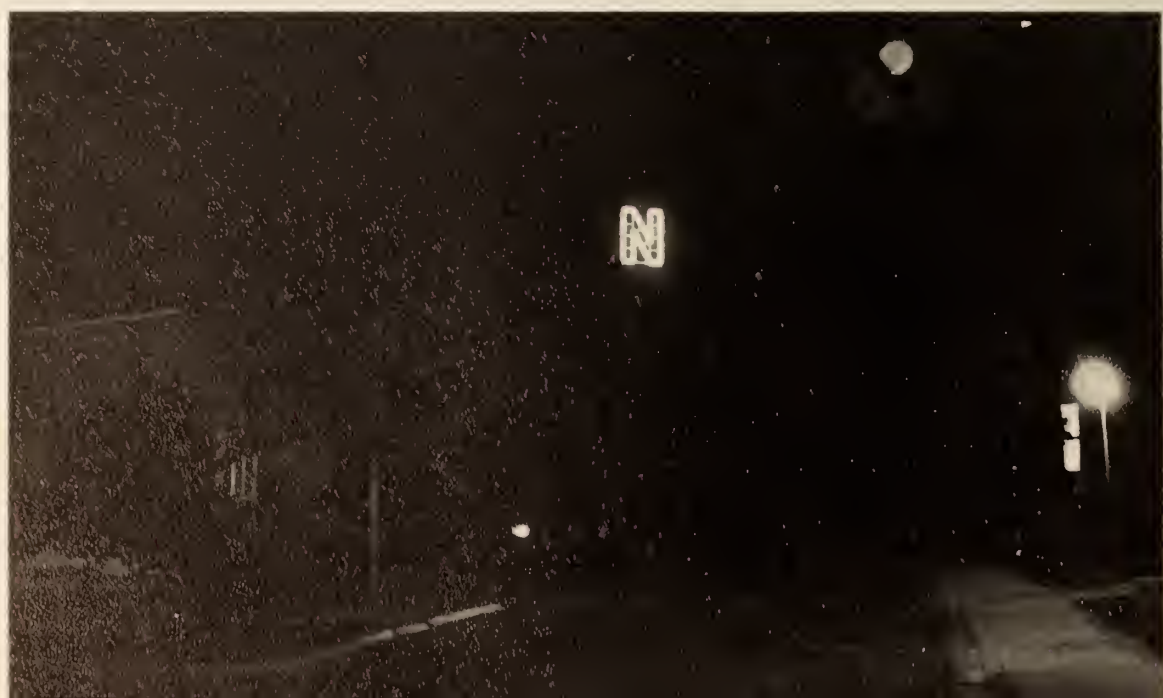

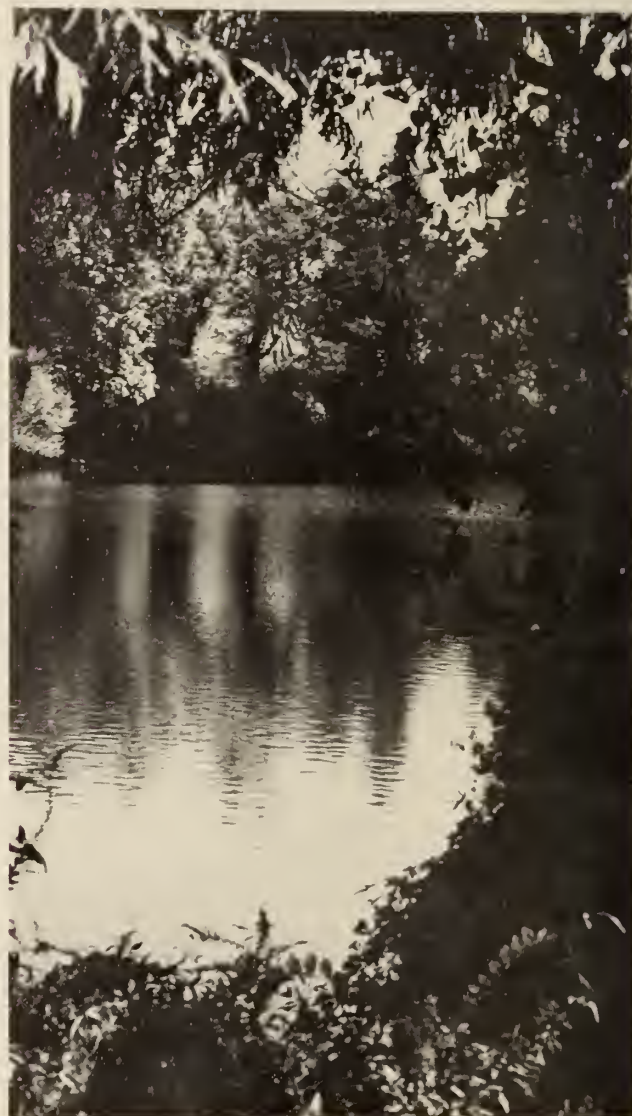

Homecoming—when former NSC students return to their old alma mater and reminisce with old friends. The campus is alive with festivity as the various organizations welcome alumni with colorful displays. An exciting homecoming football game adds the finishing touch as everyone returns home to review Homecoming, 1968.

And, of course, for some this year will be remembered as their last at Northwestern. Whatever lies ahead, NSC will no longer be a part of it. The future is now the present. Graduation—the end or the beginning?

Dr. Arnold Kilpatrick and Family

This is Dr. Kilpatrick's second year as President of Northwestern State College. He came to us from Northeast where he was serving as Head of the Department of Elementary and Secondary Education. He was appointed Acting President of Northwestern in August of 1966 and President in July of 1967.

President and Mrs. Kilpatrick smile at onlookers during the parade at State Fair Weekend.

Professor of The Year

Mr. Johnson is an avid sportsman, especially when it comes to fishing.

Here with his wife, Tina, Mr. Johnson performs his duties around the house.

Mr. Joseph Johnson was elected 1968 POTPOURRI Professor of the Year. Students were asked to vote by secret ballot for any professor that impressed them the most during their semesters at NSC. The professor receiving the most votes in his favor automatically won this award.

Mr. Johnson is an Assistant Professor of Business at Northwestern. He received his B.S. at Northeast, his M.S. at Northwestern State College, and has done graduate work at the University of Arkansas and Arizona State. After a tour in the Navy, Mr. Johnson sold insurance in Monroe prior to coming to NSC in 1956.

Data processing, office management, and accounting include some of the courses taught by Mr. Johnson, as well as other regular business courses. He also sponsors Sigma Tau Gamma fraternity at NSC.

The Johnsons have two daughters, Mrs. Jeanne Bolin who teaches in New Orleans and Martha, who is studying at Loyola.

A true sportsman, Mr. Johnson has quite an interesting gun collection.

JOSEPH
JOHNSON

Administrative
and academic *firsts* in
1968 included a record enrollment of 6,331 students
and the addition of new departments, bringing this
total to thirty. Likewise, the creation of new adminis-
trative offices contributed to NSC's continuing prog-
ress.

Dr. Charles Thomas, Dean of the College.

Dean of The College

Dr. Charles Thomas, last year's Dean of Administration, has donned a new title this year, that of Dean of the College. This is a new position at NSC and involves important administrative affairs. Dr. Thomas received his B.S. at Northwestern State College, his M.S. at Louisiana State University, and his Ed.D., at George Peabody College for Teachers.

Department of Accounting

The Accounting Department of Northwestern State was organized on July 1, 1967. Although this department has the smallest teaching staff, it has one of the strongest departments on our campus. At this time there are over two hundred students enrolled in this department. Students majoring in accounting can receive their B.A. degree and M.B.A. degree. Graduates in the accounting field can take a C.P.A. test and recently two N.S.C. graduates have passed the C.P.A. test.

Mr. York gives assistance to a student after class.

Faculty—Seated: Willa Dean Sewell. Standing: Bobby R. York and Jo Ann Gibson.

Earl G. Thames, Department Head.

Department of Agriculture

Students interested in the field of agriculture may earn one of four curricula leading to the Bachelor of Science degree or one of three pre-professional programs.

The facilities of the diversified college farm are utilized in the laboratory courses. Here the students familiarize themselves with modern farm machinery and work with purebred beef, dairy cattle, sheep, swine, and poultry. The college dairy produces and processes all the milk used in the cafeterias.

Dr. Ralph Fell, Department Head.

Faculty—Melvin Stevens, Hal Townsend, Dr. Rex Every, Dr. C. E. Stufflebeam.

Mr. Townsend gives students some outdoor instruction.

Art student, Dale McGee receives instruction from Mr. Thorn.

Emily Rolfe watches Karen Karisny put the finishing touches on a painting.

Faculty—Charles Coke, James Thorn, Mary Roberts, Grant Kenner, Rivers Murphy, Donald Alexander.

Orville Hanchey, Department Head.

Department of Art

A major in art may earn his B.A. degree and prepare for a professional career or graduate study in either fine or commercial art.

There are courses designed especially for the Graduate students in the School of Education. The Department encourages a growing number of students to elect art as a minor or select from among its many specialized courses as enrichment in the humanities.

Individual creativity is fundamental in a democracy, and the role of art in our society can never be overemphasized.

Botany is an important area of study in the Biology Department.

Department of Biology

Members of the biology staff believe that a well-balanced college program in the Biological Sciences should include good teaching and productive research. Degrees offered in the field of biology from Northwestern include a B.S. degree program for students interested in biology-education, botany, pre-medicine, pre-dentistry, medical technology, wildlife management, and zoology. In addition, a Master's degree may also be earned in biology—education, botany and zoology.

Faculty—First Row: James Price, Dr. James Lin, Dr. Virgil Howe, Dr. Ray Baumgardner. Second Row: Robert Noble, Dr. Wayne Kruse, Dr. B. Roy Buckley, Oren Whitehead. Third Row: Robert Glick, Dr. Roderick Outland, Kenneth Williams, Robert Daspit, Dr. Hugh Land, Dick Stalling.

The dissecting of specimens is a good learning ground for biology students.

Dr. W. G. Erwin, Department Head.

*Faculty—First Row: Ronald Weir, Donald Slacum, H. N. Towry.
Second Row: Dr. Best, Robert Easley, Barron Wells.*

Department of Business Administration

Offering degrees in Accounting and Business Administration is the main function of the Department of Business Administration. Courses offered under this department include accounting, marketing, management, finance, and business economics. Its main purpose is to prepare students for useful participation in the business world.

Dr. Roger Best, Department Head.

Faculty—Front Row: Carol McCoy, Janell Rue, H. N. Towry, Barron Wells. Second Row: Shirley Robbins, T. G. Johnson, J. W. Johnson.

Dr. Ralph White, Department Head.

Department of Business Education and Office Administration

A B.S. degree in Business Education is offered by the Department of Business Education and Office Administration. In addition, an Associate Degree, a two-year program in Secretarial Administration, is also offered. Some of the courses offered are business education and communications, and office administration.

Department of Chemistry

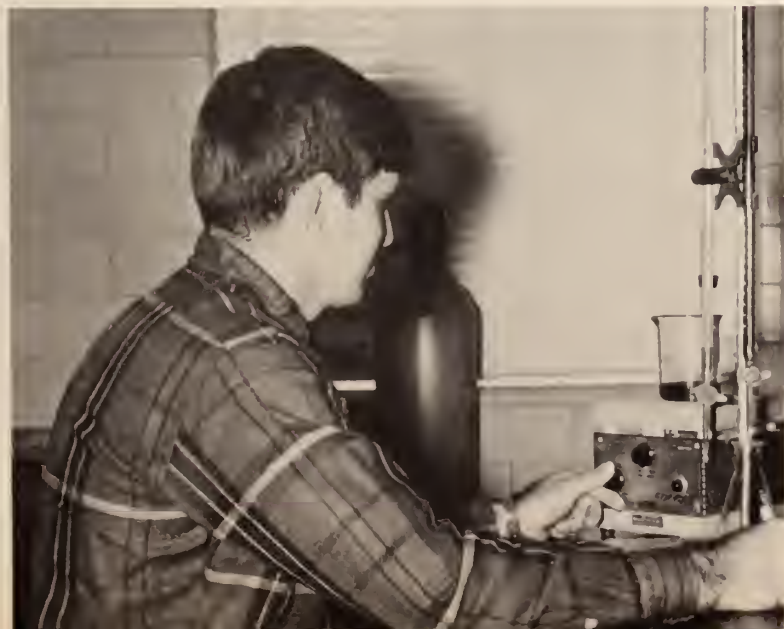

In the School of Arts and Sciences, non-professional Chemistry majors may earn a degree in the field of Liberal Arts. Medical Technology majors may also earn a B.S. from this school.

The School of Education offers a B.S. for those students who are interested in teaching chemistry. Also offered is a degree in General Science with a concentration in chemistry. Graduate students may earn their M.S. in chemistry in any one of four fields: Organic, Physical, or Biological Chemistry.

Faculty—First Row: Archie Deason, James Rhoades. Second Row: Dr. Larry McRae, Dr. Charles Bisselt, Dr. H. W. Hyde.

Students in chemistry spend many hours doing laboratory work.

Dr. McRae observes as student performs an experiment.

Economics Department

Established July 1, 1967, with the creation of the School of Business, the Economics Department has as its primary goal to prepare students for positions of government. It is primarily a service department with students from the entire campus. Degrees offered by the Department include a Bachelor of Science and Economics in the School of Business and a Bachelor of Arts in the School of Arts and Sciences.

Dr. James N. Davis, Department Head.

Faculty—Dr. Davis, William Call, Kenneth Knotts, Charles D. VanEaton, Donald S. Slacum.

Faculty—First Row: Dr. Lisso Simmons, Mary Lee Posey, Dr. Mildred Bailey, Dr. William Hale. Second Row: Matthew Kepingier, Dr. Ronald T. Dennis, Dr. Bennie Barton.

Dr. Lisso R. Simmons, Department Head.

Elementary Education Department

Preparing teachers for the public elementary schools is the purpose of the Department of Elementary Education. There are three undergraduate majors in the Department: kindergarten, primary, and upper elementary. At the present time there are 434 students majoring in the above areas at the undergraduate level. Six graduate degree programs are offered by the Department: three master's degree programs and three programs in the Specialist in Education Degree.

Nolan LeBlanc and Dick Robertson, graduate assistants, operate one of the machines used in the department.

Geology Department

Geology was first established as a department in July of 1967. It was approved to offer a Master's Degree beginning of the fall semester, 1968. The Geology degree was first established in 1964 within the Department of Physical Science. At present, both the B.S. and the M.S. degrees may be earned at Northwestern.

Staff—Dr. David Dobbins, and Rene DeHon.

John D. Waskom, Department Head.

Guidance Counseling and Educational Psychology Department

Degrees offered in the Department of Educational Psychology and Guidance include the Masters Degree in: Elementary Counseling & Guidance, and Secondary Counseling & Guidance. The Specialist in Education Degree also includes Elementary and Secondary Counseling & Guidance. The Masters Degree can be achieved in Student Personnel Services. Service Courses are offered in Educational Psychology to undergraduate and graduate students.

Dr. Ray A. McCoy, Department Head.

*Faculty—Seated: Donita Gothard. Standing:
Dr. George A. Kemp, Dr. Jack L. Daniels.*

Health, Physical Education Recreation Department

Offering programs leading to degrees, teacher certification and the preparation of graduates for vocational opportunities in many fields is the task of The Department of Health, Physical Education & Recreation.

Although many students prepare for teaching and coaching careers, the opportunities are not limited to these areas. Today, the student may select programs in dance, recreation, safety, driver education, or other academic areas which will prepare him for attractive and challenging careers.

Health, Physical Education, and Recreation Staff—First Row: Guraedy, Davion, Richie, Nelken, Hillard. Second Row: Coker, Jarirs, Wendt, Cronan, Towns, Vega. Third Row: Dr. Alost, Gibson, Simmons Gentry, Bonnette, Brown, Marx.

Dr. Robert Alost, Department Head.

History Department

The Department of History was organized as a separate field of study and established as a department in the School of Arts and Sciences in July of 1967. In addition to an undergraduate degree, a student may also earn a Master of Arts degree in the department with a major in either American or European history. During the first year in which the department has operated as a separate unit, the number of students enrolled in history courses has more than doubled.

Dr. Ronald M. Rawson, Department Head.

History Faculty—Tom H. Wells, James McCorkle, William Arce-neaux, and Marietta LeBreton.

Department of Home Economics

Students majoring in Home Economics take required courses in English, the Sciences, and other academic areas. The General Home Economics curriculum is designed for those who are interested in positions in business or extension service. Home Economics Education is a program for students who plan to teach vocational home economics. Dietetics and Institutional Management is a degree program for those who desire to become dietitians or to work with lunchroom or other food services. Also, Northwestern offers the M.S. in Education for home economics students.

Marie S. Dunn, Department Head.

Faculty:— Seated: Mary Roberson, Maxine Southerland. Standing left to right: Betty Johnson, Margaret Ackel, Eloise Watkins, and Annette Jordan.

Dr. Walter J. Robinson, I.E. Department Head

Industrial Education Department

The Department of Industrial Education offers curricula in industrial arts education and vocational-industrial education for qualified students interested in teaching. Those choosing a non-teaching curriculum have three options in technology—manual arts, therapy, and industrial arts.

Walter Lynd Moseley, Department Head.

Department of Languages

There are four major fields in the Languages Department: English, foreign languages, journalism, and speech. The aim of the department is to produce cultured speakers and writers, whether they be public speakers, teachers, journalists, novelists, actors, businessmen or housewives using language in their everyday lives. They strive to produce students who write well, and speak well.

Department of Library Science

It has been said that the Library is the heart of every academic institution. This can be clearly distinguished by the extensive collection of about 155,000 bound volumes plus the separate document collection and the considerable amount of microfilm located at the Russell Library. In building and administering this collection, special attention has been given to coordinating the selection of books and research information with the various academic departments. In this way the support rendered to the increasingly varied programs offered at Northwestern is kept at a high level. In addition, the Russell Library possesses one of the best Louisiana collections in the state.

Discussions of new math concepts are often a source of conversation between members of the Mathematics Department.

Department of Mathematics

To meet the needs of today's students, the Department of Mathematics is rapidly expanding and constantly moving forward. The B.S. degree with a major in Mathematics is offered in both the School of Arts and Sciences and in the School of Education. The Graduate School offers both the M.S. degree in Mathematics and the M.S. degree with a major in Mathematics.

Department of Microbiology

Boasting one of the best equipped departments of its type in this region, the Department of Microbiology has gained national recognition, particularly in the graduate program. Microbiology and Medical Technology are offered in the B.S. degree program, and the M.S. degree is offered in Microbiology. To remain abreast of the modern trends in science, the Department is continually improving its instructional programs.

Dr. Paul Donaldson, Department Head.

Department of Military Science

The Department of Military Science, composed of the Reserve Officers Training Corps, provides military leadership training to selected men so that upon graduation they can assume positions of responsibility in the Active Army and its Reserve Divisions. A student participating in this program acquires the qualities of self-discipline, physical stamina, and bearing—qualities that will contribute to success in any career. ROTC cadets also take an active part in campus life through the Rifle Team and the Black Knights Drill Team, which has performed throughout the state.

Department of Music

Curricula leading to the Bachelor of Arts, Bachelor of Music, Bachelor of Music Education, Master of Music, and Master of Music Education degrees are offered by the Department of Music. Major courses of study are offered in applied music, instrumental or vocal music, education, theory, and composition. A minor may be obtained in applied music and music theory in the School of Applied Arts and Sciences, and in the School of Arts and Sciences. It is a fully accredited member of the National Association of Schools of Music and has also attained the approval of other national and regional accrediting agencies.

Dr. Lisso R. Simmons, Department Head.

Northwestern Elementary Lab School

The Northwestern Elementary Lab School is the laboratory for observation and participation. An essential part of a well-rounded teaching curriculum, the school with its observation-participation program affords students with many situations similar to those they will encounter in practice teaching.

Faculty—Left to Right: Frances Simmons, Frances Pingrey, Margaret Seymour, and Mary Ellen Chadwick.

Miss Etta Anne Hincker, Department Head and Dean of Nursing School.

Department of Nursing

The Department of Nursing is considered a single department in spite of the fact that it is spread geographically over the state. Faculty and students are assigned to four separate campuses: the main campus at Northwestern, Baton Rouge, Pineville, and Shreveport. All these clinical campuses are located in metropolitan areas and thus enable students to have laboratory practice with patients in appropriate health centers. The faculty members directing the clinical divisions are qualified by their academic preparations in the various clinical specialties.

Students enrolled in Physics Lab spend time setting up experimental apparatus for conducting their experiments.

Before-class preparation is necessary for conducting teaching experiments in class.

Bert B. Boyd, E. W. Hollier, Dr. Eugene J. Clothiaux.

Department of Physics

During this first year of its establishment, the Physics Department has made commendable progress. It offers a B.S. degree both in the School of Arts and Sciences and in the School of Education. On the graduate level, the Department offers a master of Science and a Master of Science in Education degrees.

Dr. Eugene J. Clothiaux, Department Head.

Department of Psychology

The Department of Psychology is a relatively new department at Northwestern; however, it is one of the finest in the state. It offers programs for obtaining Bachelor's and Master's degrees in the fields of both Psychology and Educational Psychology.

Dr. Caesar B. Moody, Department Head.

Dr. Caesar B. Moody, Donald Gates, Charles Wickersham.

Department of Secondary Education

Professional education experience is the main responsibility of the Education Department. It is the specific duty of the Department of Secondary Education to produce qualified teachers for our state and nation's high schools. In 1884, Northwestern State College, then the Louisiana State Normal School, was established for the preparation of teachers. This still remains an outstanding responsibility of the institution. The Department of Secondary Education offers courses in Education, Educational Psychology, and Guidance and Counseling. Degrees are offered in these fields at both the graduate and undergraduate levels. The department works closely with the laboratory schools on campus and with many public schools throughout the state in its student teaching program to insure that its teachers receive the best overall education and experience.

Department of Social Sciences

Anthropology, economics, geography, government, history, social welfare, philosophy, and general social sciences are undergraduate programs offered by the Department of Social Sciences. Graduate degrees are offered in history, geography, and many composite programs. It also advises Pre-Law and Pre-Ministerial students. Other activities associated with the Department are the maintenance of Williamson Museum, a photographic library on Louisiana, operation of the Family Life Institute, and the publication of *Louisiana Studies*, a quarterly journal on Louisiana and the South.

Dr. George A. Stokes, Department Head.

Department of Sociology

The Department of Sociology is a relatively new department at Northwestern. It offers, however, a variety of degrees. A BA degree in Sociology is offered in the School of Arts and Sciences. The BA degree in the School of Arts and Sciences may also be obtained in the field of Social Welfare. In the Graduate School the Department offers the Master of Arts degree. Human social relationships and processes along with social problems of modern life are only two aspects of courses of study offered by the Sociology Department.

Department of Speech and Journalism

The Bachelor of Arts degree is offered to students majoring in the fields of Speech or Journalism. This degree may be obtained by Speech majors in either the School of Arts and Sciences or in the School of Education. The Department of Speech and Journalism also offers the Master of Arts and the Master of Arts in Education degrees. Along with teaching journalistic and speech techniques, it is possible to receive instruction in Speech and Hearing Therapy.

Department of Student Teaching

The Department of Student Teaching plays a large part in the School of Education. It is through this Department that student teachers are placed in schools throughout the state of Louisiana in order to perfect their methods of teaching under the supervision of qualified instructors. Student teachers are placed in schools in many different school systems of Louisiana so that they may become acquainted with the many varieties of institutional learning. This Department signifies the producing of experienced, qualified teachers for the state.

Senior Class Officers

Abraham Lincoln wrote, "I will study and get ready and perhaps my chance will come."

The Senior Class has reached this point—the stepping stone that will give them their chance as mature adults.

These words found in their Alma Mater express their sentiments at this time:

"We know not where our paths may go,
But thou'lt uphold us still we know."

DUAN FERRERA, President

JOHN R. RAMSEY, Vice-President

DAVID BUTLER, Senior Men's Representative

BOBBY TOWNSEND, Secretary-Treasurer

Junior Class Officers

"With the ropes of the past we ring the bells of the future"; a trite old saying indeed, but one which is very appropriate to students as Juniors. With two years of college behind them, they look forward to ringing the bells as Seniors with the ropes they've woven thus far.

CHARLES SKINNER, President

Freshman Class Officers

The goal of many, to attend college, is reached by enrollment at N.S.C.; but now separate goals must be set by the individual. The Freshman year is the time these goals are set, the long drive begins, and the path of achievement is opened to all.

Religious Organizations

Baptist Student Union

The Baptist Student Union is the Baptist Church ministering to the college community. The BSU at Northwestern came into being in 1927 and is sponsored by the Southern Baptist Convention. In its membership are all the Baptist students on campus. It functions to remind each student of his responsibility to Christ, his church, his denomination, and of his obligation as a Christian citizen to the world in which he lives. The Baptist Student Union strives to deepen the spiritual lives of its members by enlisting them in the activities of the local Baptist Churches.

BSU'ers enjoy singing around the piano.

Director of the BSU center, Miss Myra Gullledge and her dog, Sin.

The BSU games area provides members with a way to work off excess energy.

Canterbury House

At the Episcopal Student Center, called "Canterbury House" Episcopal students, faculty, and interested friends meet for corporate worship, discussion, and recreation. The purpose of this fellowship is to explore the Christian faith, to recognize the existing relationship between theology and the world: God and His creation, and to encourage those persons in the academic community to live the life of harmony in relationship to their Creator and to their fellow man.

Carol Sutherlin, Annette Wallace, Richard Lee, Guinn Hodges prepare refreshments for a Canterbury fellowship.

Catholic Students

Since February 11, 1968, the Catholic Student Center became officially Holy Cross Parish, an independent Catholic Parish. Membership in this Parish is open to Catholic students, faculty, and staff members and their families.

Holy Cross is a community sharing the Catholic faith, a common commitment to the service of others and liturgical worships in the Sacraments.

The Catholic Students are given the opportunity to participate in various activities; serving or reading at Mass, giving assistance to needy families, teaching religion classes, planning socials, publicity, secretarial and hostess work, and participating in intramural sports. Classes in theology help deepen and broaden the student's understanding of his Christian faith and help fulfill the need to express it.

Wesley Foundation

As a part of the Church Universal at work, the Wesley Foundation serves the campus of N.S.C. Our purpose is to cultivate a growing Christian Faith in the lives of individuals who make up the college community. We feel that our Christian Faith challenges us to worship, witness, study, and join in fellowship. The Wesley Foundation is sponsored by N.S.C. by the Methodist Board of National Mission and by the Methodist Churches of Louisiana. The council members guide the program of the organization. Activities are held at the Wesley Foundation Building under the supervision of an ordained Methodist minister, Mr. Bob Tatum.

Student Government Association

The Student Government Association is the only campus organization which embraces the whole realm of campus life, including the individual student, his organizations, and his day to day life. Student Government is basic to the welfare of the student.

The SGA, as the basic organization, is invested with the responsibility of speaking for the entire student body, it supervises and coordinates student activities, and it seeks to provide the proper collegiate academic and social medium. Most importantly, it serves as a link between the student and the administration. We have made sincere efforts to accomplish these ends during the past year. In doing so, we hope we have helped both the student and our college.

Associated Women Students

The Associated Women Students is composed of all women students on campus and is a member of the Intercollegiate Association of Women Students. Elected representatives from each residence hall serve on the A.W.S. Council through which the women have a voice in their government. Through its activities the A.W.S. aims to create an attitude of intellectual, social, and spiritual growth among women students. To develop a sense of self-responsibility, to instill a spirit of cooperation and friendship, and to uphold high social and academic standards among the women of the college is a true aim of A.W.S.

Panhellenic Council

To promote scholarship, high character, a better understanding of the Greek World, and harmony among the Greek organizations—these are the purposes of the Northwestern State College Panhellenic Council.

The Panhellenic Council, a member of the National Panhellenic Conference, services as the governing body of the five NSC sororities on campus. It sponsors campus projects which include a convocation for Freshman girls and an all-Greek Christmas Carol Sing. Scholarship among the women students at NSC is encouraged by the Council with the presentation of a Freshman Scholarship Award each year.

Interfraternity Council

Interfraternity Council was organized to fulfill four objectives; to promote harmony and a cooperative relationship among the five social fraternities of the campus, to foster and maintain a high respect for fraternity and interfraternity relationships within our college, to maintain high scholastic moral, social and personal standards, and to compile and enforce rules for the improving of the fraternity system on campus. By pursuing these goals the campus social fraternity members more fully realize the true meaning of Greek Life and by working together achieve a more positive and unified existence.

Student Governing Board

The SGA Governing Board is the policy making and legislative body of the Student Union organization and is composed of the Director, the Program Director, eight student officers and representatives, two faculty-staff members, and two alumni members. The six program committees plan and execute the over-all social-cultural-recreational programs. These committees offer the student an excellent opportunity to develop his leadership abilities and to study the techniques of effective group work, as well as provide a service to the student body.

Chemistry Club

The Chemistry Club of NSC has as its purpose the development of interest in chemistry. Affiliated with the National American Chemical Society, this is the club's first full year on campus. The main goal of the club is to visit surrounding high schools and solicit new members in the field of Chemistry. It also strives to broaden the interest and knowledge of Chemistry majors.

First Row: Raymond Boswell, Vice-President; Lynn Hargrave, President; Mamie Trunzler, Secretary-Treasurer; Jean Lee. *Second Row:* Pete Galloway, Gary Piper, Bruce Stracener, Dan Walsh, John Groves, Dr. Jack Daniels-faculty advisor, Charles Monk.

Student Personnel Association

Promoting faculty—student—administration relations is the primary purpose of the NSC Student Personnel Association. This group works to further the knowledge of the membership in the areas pertaining to college personnel work and studies through a program of guest speakers, lecturers, and seminars. One of this group's most important objectives is to publicize the Student Personnel Program at NSC to other colleges and universities in the state of Louisiana.

Honorary, Academic, and Professional

Purple Jackets

Clad in their purple and white, the Purple Jackets are continuously seen on campus. This group has become the traditional hostesses at all college events, serving at such activities as registration, entertainment programs, and graduation exercises. Membership is based on scholarship, character and personality, spirit of cooperation, and unselfishness in serving the college. The honor of becoming a member is one of the greatest accorded to a woman student at NSC.

Blue Key

The eighteen student members of Blue Key arrive on campus each year, almost before anyone else, to begin their work. Working at the semester registrations, serving as ushers at various campus programs, decorating for Homecoming and Mom and Dads Day, and conducting the annual summer Cheerleader's Clinic are the major functions of the group.

Membership in the group requires an over-all 2.5 average, membership and officership in at least two campus organizations, and a final majority vote of the chapter. To be a member of BLUE KEY is indeed an honor and one recognized among the students on campus.

This was the second year for CIRCLE K on the Northwestern campus. The organization is a service group which functions at all college activities. The future of the American way of life will someday be in the hands of the men who are on our college campuses today. Circle K offers Kiwanis the opportunity to take an active part in securing the continuance of our heritage and in providing the leadership for the preservation of the free world.

Kappa Delta Pi, an honor society in education, was organized for the purpose of encouraging high professional, intellectual, and personal standards and to recognize outstanding contributions to education. Those people who exhibit commendable personal qualities, worthy educational ideals, and sound scholarships are invited to membership. Kappa Delta Pi endeavors to maintain a high degree of professional fellowship among its members and to quicken professional growth by honoring achievement in educational work. Gamma Phi chapter began on the NSC campus in 1934 and annually presents programs in which guest speakers from the various departments on campus are called in to speak on projects in which they are involved.

The Nu Iota chapter of SIGMA TAU DELTA was established at NSC, April 11, 1964, with eighteen charter members. Sigma Tau Delta is a national professional English fraternity with membership open to students majoring or minoring in English. These students must have attained the level of second-semester sophomore with an over-all B average and a B in all English courses pursued. The purpose of this organization is to promote the mastery of written expression, encourage worthwhile reading, and foster a spirit of fellowship among men and women specializing in English.

Prospects for membership in Sigma Tau Delta attend the annual introduction meeting.

Phi Kappa Phi

The honor society of Phi Kappa Phi was founded in 1897 and the Northwestern Chapter was established in July, 1953. The purpose of the society is the recognition and encouragement of superior scholarship in all fields of study. Membership in the society is open to all second-semester juniors, seniors, graduate students, alumni, and faculty who have shown distinction in their fields of study.

Alpha Lambda Delta

Nu Sigma Chi is the N.S.C. Chapter of Alpha Lambda Delta, a national honorary sorority for freshman women. The purpose of Alpha Lambda Delta is to promote intelligent living, a high standard of learning, and superior scholastic attainment among the Freshman women at Northwestern. Student membership is restricted to sophomore women who have earned at least a 3.5 scholastic average during their freshman year. After their sophomore year, the members become collegiate alumnae. Each year Nu Sigma Chi Chapter offers tutoring services to the freshman women, presents a skit in all the freshman women's dormitories, and co-sponsors the Academic Honors Banquet.

Sigma Alpha Iota, an international professional music fraternity for women, was founded in 1903, at Ann Arbor, Michigan. The Beta Iota chapter at NSC is celebrating its seventeenth anniversary. Fraternity purposes include upholding the highest ideals of a musical education, raising the standards of productive musical work, developing American music and promoting a stronger understanding of music between foreign countries and America. Membership is open to music majors who have faculty recommendation and show excellence in scholarship and musical ability. Chapter activities include monthly musicals, receptions for music students and faculty, and performers, and an All-American Music Concert given jointly with Phi Mu Alpha.

SAI members enjoy music in their get-togethers.

Phi Epsilon Kappa

Phi Epsilon Kappa is the only national professional fraternity for male students and teachers of health, physical education, and recreation. This fraternity was founded at the Normal College of the American Gymnastics Union of Indianapolis, Indiana, in 1913. With the installation of Beta chapter at the American College of Physical Education in Chicago, Illinois, Phi Epsilon Kappa took its first step toward becoming a national fraternity. Alpha Phi chapter was installed at Northwestern on April 28, 1951.

One of the primary objectives of the fraternity is to elevate the standards, ideals, and ethics of those engaged in teaching in the fields of health, physical education, and recreation.

The Demeter Agricultural Fraternity, named after Demeter, the ancient Greek goddess of Earth and all vegetation, was organized October 18, 1928. It was begun at Southwestern Louisiana Institute, Lafayette, Louisiana, by Dean J. L. Fletcher, then head of the Agriculture Department. From a small group of eight members, the Demeter Club has expanded into a national organization with three chapters and a total membership of approximately one thousand. Activities of the Demeter Club include sponsoring turkey and beef shoots judging in area F.F.A. contests and sponsoring the annual "Agri Day." Membership requirements include a major in Agriculture with at least nine hours and a "C" average in the major.

In January, 1967, all activities of the Shreveport Campus were moved into the beautiful, modern building on Warrington Place. This building, consisting of a dormitory wing and an educational wing, is used by students and faculty in Nursing, Education, and the Graduate School. Here, in an academic setting geared to teaching clinical nursing courses, students in nursing spend 2½ years of their four year curriculum. While continuing to participate in many social and cultural activities on the Natchitoches Campus, they also represent the College in professional and community activities in Shreveport.

Shreveport Student Nurses Association

Pineville Student Nurses Association

Students who are enrolled in the School of Nursing attend Baton Rouge and Shreveport Campuses, which are their major campuses. In the junior year, four groups of students come to Pineville to study psychiatric nursing. The purpose of their rotation to Central Louisiana State Hospital is to utilize the facility as a laboratory where students study all types of mentally ill patients, observing behavior, analyzing what they observed, validating their findings, and searching for solutions to the problems encountered. Thus the steps in problem solving are emphasized and a foundation is laid for later courses which these students pursue.

Student Nurses

Association

During the sophomore year, student nurses transfer to the Baton Rouge Campus to begin courses in clinical nursing at Baton Rouge General Hospital. This year students on the Baton Rouge Campus staged a style show to raise funds to send student representatives to the National Student Nurses Convention and to finance the Christmas Charity Project—a donation to one of the local orphanages. The Baton Rouge students served as hostesses this year to the Louisiana Association of Student Nurses Convention.

The Northwestern State College Geological Society was organized two years ago, and its membership has almost tripled since then. A local academic organization membership is open to all students interested in the field of geology. The purpose of the society is to exchange ideas among its members, locally and with visiting scientists. In addition, it tries to create interest in the field of geology. Activities of the society include attending lectures by professors of geology, inviting lecturers to our campus, and attending field trips in the surrounding areas.

Activities

1968 Potpourri

THE POTPOURRI STAFF is appointed yearly by the editor of the publication. Each staff member must maintain a C average and is expected to contribute time and effort to the production of the NSC yearbook. Any staff must have a dedication to the job they set about, but the POTPOURRI staff must have more than dedication to the job of sending an annual to press. Endless time, patience and labor is spent on such a giant task. It is with pleasure that the 1968 POTPOURRI staff presents to you the 1968 POTPOURRI, and it is with much sincerity that the editor expresses appreciation to each staff member who contributed to this publication.

Current Sauce

It is the primary purpose of the CURRENT SAUCE staff to get a paper out each week. This year the Current Sauce has become a laboratory for the Journalism Department and the meaning of the word "paper" has deepened. The paper must do many things to merit the term from the instructors whose critical advice is always helpful but sometimes very disheartening. Nevertheless, it is the duty of the staff to learn by criticism, and this aspect of education that the newspaper has provided this year for its staff is invaluable.

Publications Committee

The student publications committee is composed of five faculty members, appointed by the president of the college and six students appointed by the student government association. The committee serves throughout the year exercising financial and editorial guidance and control over the current sauce and the potpourri. Each spring the committee reviews the applications of prospective candidates for the editorships of the two publications and appoints the two editors. The committee serves as a board of review for the current sauce and potpourri budgets and makes periodic reports to the student government association.

Hurry, it's almost Howdy Doody Time gang.

Alpha Sigmas enjoy an evening at the house on the hill.

Sixty-three years ago on November 15, at Longwood College in Farmville, Virginia, five young women established the first chapter of Alpha Sigma Alpha. Pledging themselves to spiritual, physical, intellectual, and social development throughout their lives, they never dreamed that their sisterhood would spread to colleges and universities throughout the nation. Today, the letters ASA grace the doors of over forty chapters in the United States.

On the Northwestern Campus in 1930, Psi Psi chapter was established. Sorority life is the growing and sharing, the planning and excitement of rush, parties, meetings, problems, and friendships. The awards, conventions, and sending the proceeds of the annual sale of Alpha Sigs to the crippled children's foundation of the national philanthropic project exemplifies their founders' pledge.

Joe, after the stampede, the celebration will begin.

Hurry! Hurry! Before the chaperon gets here.

The Killarney Rose, the glittering diamond, and the Roman lamp of Delta Zeta shine before its members as symbols of a sisterhood of love. Delta Zeta seeks to encourage friendship, scholarship, leadership, moral and social culture among its members.

Both the sorority and the community are benefitted by Delta Zeta's philanthropies, which included a fund drive and caroling at the Natchitoches Parish Hospital.

Epsilon Beta had a busy social calendar again. A hamburger party, hayride, spaghetti supper for the pledges, open house on Mom's and Dad's Day, our annual homecoming slumber party, highlighted a wonderful year, which was climaxed by our spring and Christmas formals.

Always taking part in campus activities, Epsilon Beta again gleaned more trophies to join those already in the house. To get the year off to a good start, Delta Zeta won the school spirit trophy, sorority division, for 1966-67. DZ's also copped the highest scholastic average among state chapters, first prize for homecoming displays and second place in the songfest.

Delta Zeta is truly a sorority that has enriched our lives and brought our bonds of friendship closely together.

Based on such sound principles as cultural accomplishment, academic achievement, high moral standards, service to those less fortunate, and attainment of an ideal of Noble Woman, Phi Mu was founded on March 4, 1852, on the Wesleyan campus in Macon, Georgia.

Service to others, expressed in the opening lines of our creed—"To lend to those less fortunate a helping hand"—has a tangible practical application to Phi Mu's national social services. Such projects include the Healthmobile, Toy Carts, Senior Citizens' Programs, Overseas Aid, and the Hospital Ship S.S. Hope.

Although the youngest of the Greek activities on campus, our social activities have been numerous. These include working together for the football games, a Thanksgiving visit to the Natchitoches Hospital, attending a party given by the Sigma Tau Gamma pledges, working with Kappa Alpha for homecoming, having a Christmas party, making Christmas stockings for the Greek organizations, our first installation and initiation. Highlighting the year was our spring formal at which our man of the year was presented.

Frankly, I think this is for the birds.

That's the kind Brenda used in Lafayette.

The selected members of Sigma Kappa are held together by a Mystic Bond of friendship, loyalty, sincerity and honesty. Sigma Kappa, this year, had a wonderful rush. Everyone seemed to enjoy "Sigma Pearl's Place." Our pledge class is one of the greatest yet! This year they gave us a Halloween party and a Christmas party. We all worked together and participated in the NSC songfest.

Every year we try to build a program around the community, where we have projects to aid and benefit the community. Our Philanthropy and Gerontology project has been visiting and working with the Special Education Department at George Parks' Elementary School in Natchitoches.

We want Sigma Kappa to be a melting pot, wherein each girl puts the best she's got. Some girls give friendship, love, and cheer. Some give happiness, strength, and health, but we pity the girl who can just give wealth. Sigma Kappa is, again, where each puts in the best she's got. And, as she gives, so does she grow. Sigma Kappa is a common pool, which we want to stir with the golden rule.

Would you believe a new crest for the Union?

You've got it! The night time is the right time.

On April 20, 1898, a Greek letter society known as Sigma Sigma Sigma was established on the campus of the State Normal School of Farnville, Virginia. The colors of Sigma Sigma Sigma are royal purple and white; the flower is the purple violet; the jewel is the pearl. Tri Sigma's membership has grown from its eight founders to more than twenty-thousand young women who now wear the emblems of Sigma Sigma Sigma.

The Alpha Zeta chapter of Tri Sigma was initiated on February 17, 1928, on the campus of Northwestern State College, Natchitoches. It was the first sorority on this campus with a national affiliation.

Among its numerous activities on campus are Tri Sigma's Christmas dance, Mable Lee Walton House Fund, the Robbie Page Memorial Fund, work projects by both actives and pledges, the Founders' Day banquet, and the spring formal.

The guiding force behind Alpha Zeta's success is its beloved faculty sponsor, Miss Eve Mouton, whose devotion to Tri Sigma is ever firm.

What's wrong—have you got a stiff leg?

Kappa Alpha Order had its origin in a fraternity organized by students at Washington and Lee College, Lexington, Virginia, in December, 1865, soon after General Robert E. Lee became president of that institution. The ideas and aims of the founders were inspired largely by the circumstances of the times and place; there is a persistent, romantic tradition in the fraternity that General Lee took a special interest in and influenced the formation of its character. Certainly, the Order has always pursued a self-reliant, conservative, and patriotic course.

We feel that our Order has something valuable and lasting to offer the college man, if he wishes to contribute his interest and devotion. The result will be a building of Christian character, scholastic achievement, and a lifelong fraternal relationship with men of the highest caliber.

Kappa Alpha's colors are crimson and old gold and the official badge of the Order is a gold shield. The letter KAPPA and ALPHA are gold upon a black enamel background and the Greek cross is gold within a black enamel circular field.

We'll show the actives who's boss!

Let's Wreck Tech—then the bar down the street.

Pi Kappa Phi, a national fraternity, emphasizes scholarship, participation in school and community activities. The highlight of Pi Kappa Phi's social gatherings is the "Rose Ball." No Pi Kappa year would be complete without the annual costume party, the pledge-active football game, and the presentation of the Victory Key.

Pi Kappa Phi Fraternity was founded on December 10, 1904, at the College of Charleston, South Carolina. Beta Omicron chapter was begun at Northwestern on September 21, 1956.

The foundations of Pi Kappa Phi are based on Christian ideals, with a strong emphasis on cooperation among its brothers. Pi Kappa Phi's meaning may be best illustrated by the following lines: "We need water; we need food; and we need something for the spirit. There is nothing better than a touch of refreshment of brotherhood, and there is no better place to find that touch and inspiration than in Pi Kappa Phi."

TKEs display the President's cup for scholarship.

Purposes, ideas, leaders, flowers, a glorious history of our once local fraternity, Lambda Zeta, are what have made and will always make Tau Kappa Epsilon outstanding on this campus.

TKE is well known on campus for its various social events; for example, the fall formal, the Bar-Fly, and various semiformal weekend parties following athletic events.

Tau Kappa Epsilon, better known as "Teke," is one of the youngest national fraternities in the nation. In recent years, however, it has reached the status of No. 1, chapterwise, in the United States. There are 160 chapters with approximately 37,000 men, including a chapter in Canada.

TKE National, though large and complex, has a motto which is simple, yet complete: "Tau Kappa Epsilon—The Fraternity for Life."

TKEs begin a victory march during Wreck Tech week.

But Gary, Tom and Bill have only had two—too many.

Sigma Tau pledges don't scrub floors.

In the year 1400 A.D., at the University of Bologna, Italy, a secret society was established for the protection of the foreign University students from the tyranny of the Bologna city officials, who severely persecuted these foreign students.

On December 10, 1869, this secret society was brought to the Western Hemisphere at the University of Virginia as the basis of Kappa Sigma Fraternity.

From its meager beginning in a dormitory room with five members, the Kappa Sigma Fraternity has expanded to its present international status of 140 active chapters and over 100,000 initiated brothers.

In keeping with Kappa Sigma tradition for meager beginnings, Delta Chi Delta, a local fraternity, was beginning on the Northwestern State College campus in the spring of 1965 with 11 members, and was duly colonized and initiated as the Theta-Mu Chapter of the Kappa Sigma Fraternity on March 26, 1966.

Since this time, Theta-Mu Chapter has grown to 50 active members and over 35 pledges, including 5 members in Student Government and 7 members on the football team.

This year the Reserve Officers Training Corps celebrated its seventeenth birthday on the Northwestern campus.

Northwestern has one of the finest military departments in the South and places emphasis on the development of leadership and military aptitude. Upon completion of the advanced course, the graduate is eligible for a commission as a Second Lieutenant in the Regular Army or the Army Reserve.

When the President of the United States appoints you a commissioned officer in the United States Army—you know that you've made the most of your potentials—for your country's sake as well as your own.

Lt. Colonel Charles E. Avery, ARTY, Professor and Head of Military Science and Tactics.

R. O. T. C. Activities and Corps Sponsor

The cadets participated in almost all of the extracurricular activities which contributed greatly toward making R.O.T.C. one of the leading organizations on campus.

The cadets won the Spirit trophy for the second consecutive year, and their Christmas float won second-place honor in the Christmas Festival.

Other special events are the annual inspection by Regular Army officers and the annual awards ceremony.

Honorary Cadet Colonel Miss Lydia Jane Heard, Corps Sponsor.

Black Knights

The well organized Black Knights, the Corps' fancy drill and precision marching unit, upheld its fine reputation as a "top-notch" drill team in representing N.S.C. in public activities and intercollegiate competition.

The drill team participates in the Mardi Gras Festival in New Orleans, Holiday in Dixie Parade and State Fair Parade in Shreveport, and National Cherry Blossom Festival in Washington, D.C. The N.S.C. Homecoming and the Christmas Festival are local events in which the team participates.

Fine arts and entertainment

a phase of college life enjoyed by students and faculty alike, involves not only concerts and other shows performed by NSC's own students, but also outstanding entertainment furnished by the Student Government Association. And 1968 was no exception.

NSC Orchestra

The Northwestern Symphony Orchestra was founded in 1913 and had a membership then of about twenty. Since that date, the Orchestra has grown steadily in size and in quality of performance. In 1966 the name of the group was changed to the NATCHITOCHES-NORTHWESTERN SYMPHONY ORCHESTRA and it was sponsored for the first time by the newly formed Natchitoches-Northwestern Symphony Society. The Orchestra is truly a community organization in that its membership includes high school and college students, as well as college faculty and townspeople. In addition to several formal concerts during the 1967-8 season, the Orchestra provided music for the spring semester commencement and for the musical "The Sound of Music."

Marching Band

The 120 members of the NSC Marching Band have become an integral part of our school spirit. Their flashy half-time performances keep fans glued to the bleachers, and they boost the morale of the players and fans when the going gets rough. Tech Weekend and the Christmas Festival wouldn't be the same without them. In the spring, the MARCHING BAND is transformed into the Symphonic Band, with a more formalized style in appearance and sound.

NSC Chorale

Enthusiasm has been the keynote for the NSC Chorale of 1967-68. Under the spirited leadership of their new director, Mr. John LeBlanc, the group has increased in size and experience, exploring a wide variety of fine choral literature and seeking ever higher standards of performance. The chorus presently numbers about seventy-five singers, and auditions for membership are open to all college students. A smaller group, the Chamber Choir, devotes additional practice hours to learning more challenging music in the style of the madrigal. This year the chorus has taken an active part in campus and community affairs, appearing at numerous college and civic functions.

Davis Players

Having been organized in 1923, the *Davis Players* is the oldest official dramatic organization on campus. Club membership is limited to thirty. Invitations to membership are extended to students the club feels have a sincere interest in theatre, as demonstrated by their participation in College Theatre. This year the organization produced and directed its own theatrical endeavor in the form of a melodrama entitled "Dirty Work at the Crossroads." This production was the club's first undertaking of this nature in several decades. Members of Davis Players were influential in securing establishment, on the NSC campus, of the Delta Eta Cast of Alpha Psi Omega, a national honorary fraternity for college dramatics.

Contemporary Dancers

The Contemporary Dancers opened their 1967-68 season with the annual Christmas concert in the Fine Arts Auditorium. This program, the first event of the Natchitoches Christmas Festival, combined the talents of the Dance Club and the NSC Chorale. Their floor show was the highlight of the Mardis Gras Ball at the Natchitoches Country Club. The Louisiana College Dance Symposium was the following engagement. Tours to Nicholls State College and New Orleans, and a children's studio recital at NSC rounded out the group's busy schedule.

Entertainment

Each year the Student Government Association Entertainment Committee is responsible for selecting and securing fall and spring entertainment for NSC. The committee is spearheaded by the SGA vice-president and together they work during the summer, fall and spring semesters to present our students with the fine quality of entertainment as seen on these pages.

Athletics is a major area of college life. This year the Demons finished the football season with a 6-3 record. But football isn't the only sport emphasized at NSC. Outstanding achievements were made in other sports which made 1968 another great year for athletics.

Cheerleaders

This year has been a full and exciting one for the NSC cheerleaders. It began with an all out campaign to create and boost school spirit, and this was very rewarding. Through the student body, we were able to hold numerous pep rallies and bond fires which proved most successful. We hope that this renewed spirit will not die; but will increase even more with the years to come.

Football

The Demons of Northwestern State College completed the 1967 season with six wins and three losses. Rated in the National Pre-season Polls, the Demons had the material and found the road smooth riding until the last few games of the season.

RESUME

For Northwestern, the 1967 football season was one of early success and disappointment in the final weeks of the campaign. It was almost like two seasons rolled into one.

The Demons, playing their first season under Coach Glenn Gossett, were the hottest team in the Gulf States Conference during the first half of the season, rolling over five straight opponents. But NSC lost three of its last four games and were relegated to a second place tie in the conference race.

Overall, the Demons had a fine record, winning six of their nine contests in a year when every team wanted especially to beat the defending GSC champion, and nationally ranked, NSC ball club. In the conference chase, Northwestern won three and lost two, tying for second with Northeast and Southwestern.

It was a season in which some new names made the headlines for Northwestern, a list headed by sensational sophomore halfback Vic Nyvall, who led the team in rushing with 560 yards on 95 carries, a 5.9 average.

During the course of the year, junior quarterback Donald Guidry developed into a dangerous running threat as well as a top flight passer. Guidry, who rushed for a mere 39 yards a year ago, ran for 378 this season. That, combined with his 617 yards through the air, gave the Church Point gridder 975 yards total offense for the season, the most gained by a Demon quarterback in years.

Northwestern opened the season with a flourish, battering Hanover College of Indiana 49-0 and then Louisiana College 55-6 in the first two contests.

Then came the Demons first big conference test of the campaign—Northeast State. Both carried perfect 2-0 records into the battle, which was in Demon Stadium. Some thought the easy victories opening the season would dull the Demons for a tough GSC game, but they rose to the occasion like champions and turned back the Indians 21-14.

Northwestern played probably its worst game of the entire season the following week, October 7. Pensacola Navy provided the opposition, and the Demons scrambled to a 28-16 victory and then turned toward arch-rival Louisiana Tech.

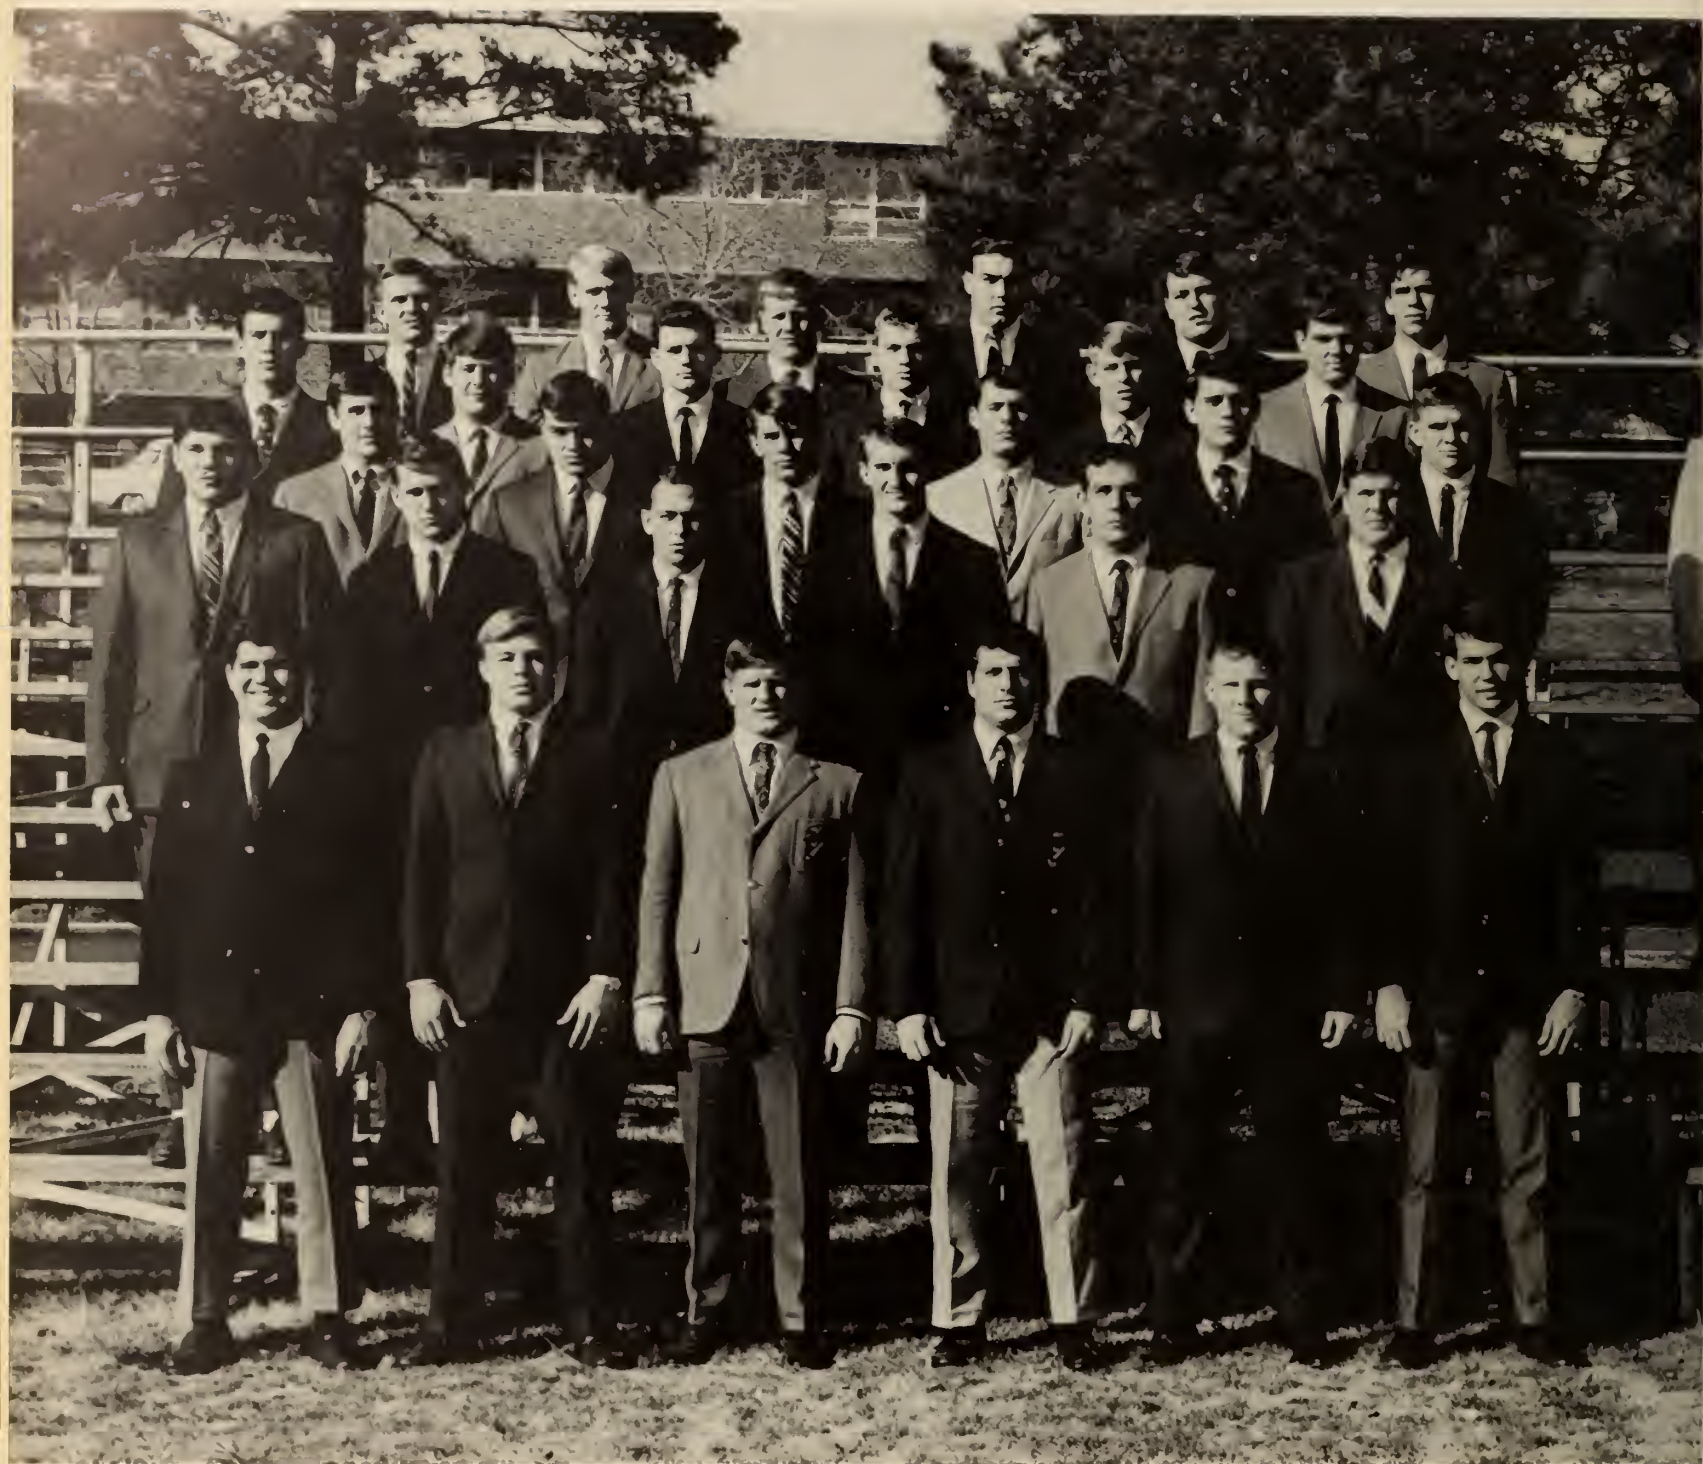

The Bulldogs had been taking their lumps and Northwestern went into the game a decided favorite. Some 28,000 fans watched in State Fair Stadium in Shreveport as the Demons shoved the Canines all over the field, but managed

only one score and won 7-0. NSC had 358 yards rushing to Tech's 31, dominating the statistics.

Troy State, led by its great quarterback, Sim Byrd, came to Natchitoches for the Demon's Homecoming game. NSC was unable to cope with Byrd's passing, and the Red Wave went back to Alabama with a 28-20 victory, handing the Demons their first loss since the next-to-last game of the 1965 season and ending NSC's winning streak at 15.

McNeese, another rough customer in the GSC, came to Natchitoches for a league showdown the next Saturday and left the Demons on the short end of a 21-7 decision, dropping NSC to second place in the league.

The Demons rebounded temporarily, however, and took an impressive 24-9 victory over Southwestern in their next-to-last game of the year. Northwestern then missed a chance to tie for the conference title by being upset by Southeastern, 26-14 in Hammond.

Basketball

The 1967-68 Demon Basketball Squad, coached by Tynes Hildebrand and assisted by Don Beasley, was truly one of greatness, although not one of the best in Demon history.

The Northwestern State College Demon quintet recorded an over-all record of 13-11 season slate and 6-6 G.S.C. record.

The Demons have been lead this season by the outstanding playing of James Wyatt, Peter Gray, Doug Watts and Odis Faust.

Trainer, Mr. Christian

In a year which undoubtedly ranks as the most productive yet in NSC's great history—thanks to added facilities and the largest enrollment ever—Demon basketball had to take a back seat to nothing where outstanding achievement was concerned.

We salute the Demons and Coach Tynes Hildebrand for giving Northwestern State basketball a position of respect among foes and pride among followers.

With the return of three of last year's starters and ten lettermen, the 1967-68 Northwestern State College Demon Basketball Team started with high hopes. Coach Tynes Hildebrand, assisted by Freshman Coach Donald Beasley, produced a high-quality team with winning ability. But the Demons found the hardwood competition rough going all the way, often hitting slumps which would cause them to lose several games before winning one.

1968 Demon Baseball

The 1968 Demon Baseball squad, with a national ranking and a 1967 GSC title, showed much promise of winning the 1968 GSC Title. The return of ALL-GSC pitcher Deacon Lewis and Lettermen Terry Alario.

Wayne Jowers, and Don Shields proved a boost to the team. The Demon's pitching staff was undoubtedly marked one of the best in Demon history. Also, returning to the team to give the Demon's another advantage are: Mike Herron, Danny Bob Turner, and Harry Wilmore. They gave the fans something to watch as they approached the plate with their fine batting exhibitions. To add to the many attributes of the Demons are freshmen Trippy Weaver, Grady Rhodes, and Ken Reed.

Track

Coach John Thompson's spirited group of Demons have worked since early in the fall semester. This year's team consists largely of freshmen and newcomers. Some of the returning members of last year's team are Paul Truman, Melvin Burlett, and Dick Brook whom the Demons largely depended upon this year.

Coach Thompson's high hopes for some of this year's freshmen talent, including Gary Posey, were fulfilled.

This year two records were established while another was tied with only one being broken. In the High jump, three jumpers reached the old record of 6'6" but failed in the final jump in which Jesse White soared to the new record of 6'9". The second record was set when Jim Camhout reeled off a 1:56.6 in the 880-yard run, breaking the old mark of 1:56.4

Demon Gymnastics

The 1967-68 Gymnastics Team is still one of the best in the history of NSC. The Demons have a high national ranking and a good chance for winning the NAIA and National AAU championships again this year. They have already competed in several nationally ranked meets this season only to be out-scored once by Southern Illinois.

The more outstanding of the team members this year are Richard Loyd, Richard Wadsack, Dave Bedard, and John Ellas.

Coach Armado Vega, in his first year at the helm for the Demons, after three years as coach of the Mexican National Team. The Demon mentor was a member of the 1956, 1960, and 1964 U.S. Olympic teams and gained All-American honors while leading Penn State to three national championships in 1957, 1958, and 1959.

Having returned with a victory in the Mid-South Meet, the Demon gymnasts journeyed to Fort Hayes, Kansas, in an attempt to repeat at NAIA National champions. The Demons performed well despite the absence of Richard Loyd and Bob Herman, who were preparing for this year's North America championships held in Toronto, Canada.

Loyd is a member of a six-man United States team performing against representatives from Canada, Mexico, and Cuba. According to Demon Coach Vega, Loyd is also a likely candidate for the 1968 Summer Olympics.

Coach Armando Vega was chosen as one of the two gymnastic judges for the United States in the 1968 Olympics.

Bob Herman was one of the gymnastics who represented NSC in the National AAU meet this year.

The Demon gymnasts who won the NAIA title for 1967 are: Bob Herman, Richard Wadsack, Bob Carreiro, Dave Bedard, Coach Fred Martinez, Jerry Wang, Richard Salas, Fred Robles, Richard Loyd, and John Ellas.

Individual Sports

First Row: Jeff Brown, Rex Durham, and Mike Donaldson. Second Row: Coach Donald Beasley, Chris Baird, Bill Chaney, Larry Ross, Jimmy Black.

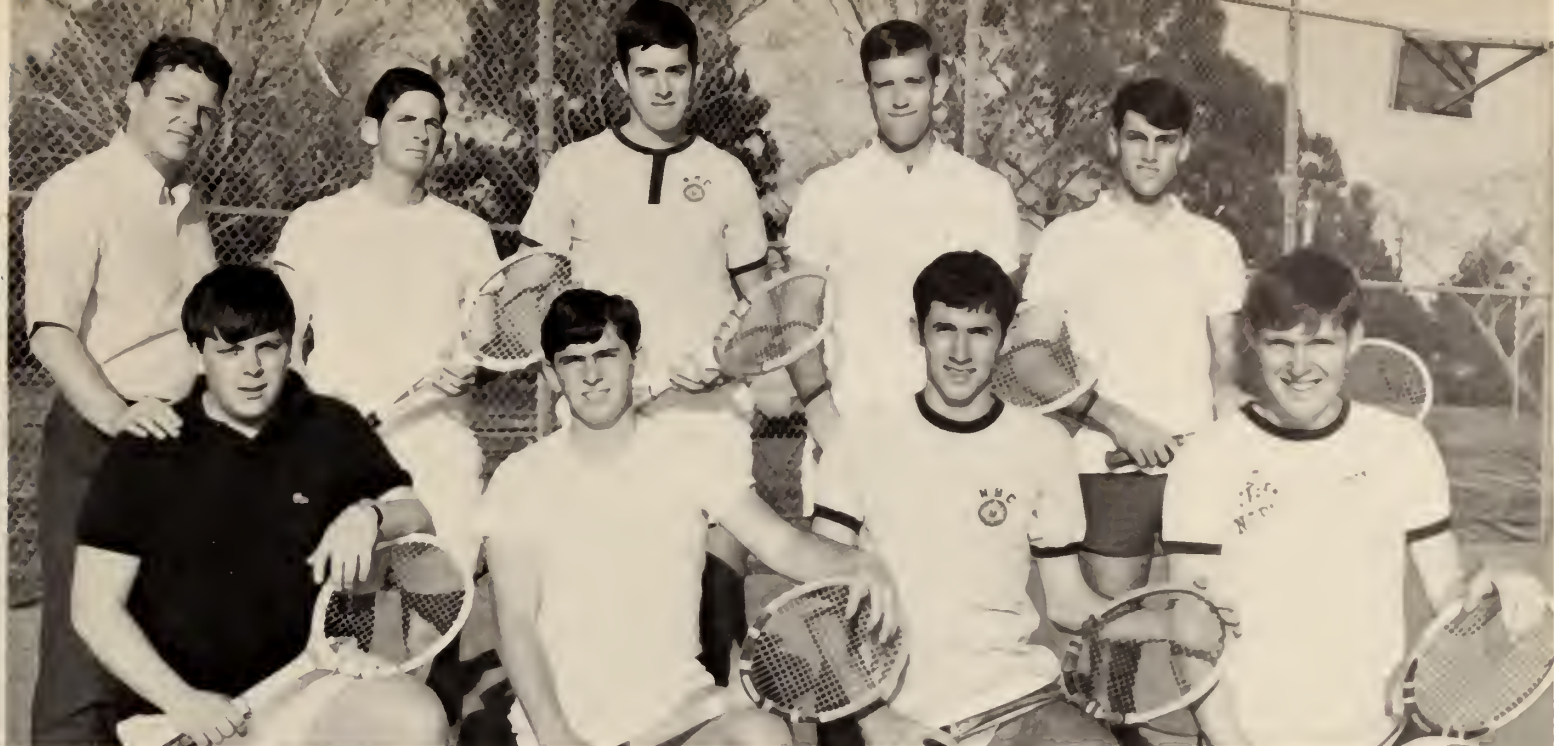

Golf

Coach Don Beasley and his Demon linksters had one of the best seasons experienced by NSC golfers. This year the Demons posted more lettermen on the line with experience and capability to back a strong race for the GSC crown. With the fine playing by seniors Bill Chaney, Larry Ross, and Chris Baird, the Demon Team posted a fine season record.

Weight Lifting

The NSC weight lifting team, in its second organized year, had a full schedule this season. It started in early April with the Novice Olympic Weightlifting championships for members of the team who have never competed in weightlifting before.

Next, the Demon lifters traveled to USL for the Junior

Novice AAU Championships and later to the National Collegiate NAIA title competition in March.

This year's weightlifting team consists of such athletes as Steve Miller, who placed second to the Number One lifter in the nation at the New Orleans Christmas Invitational meet.

Paddle Ball—Ronald Roy, first place; Danny Bob Turner, second place.

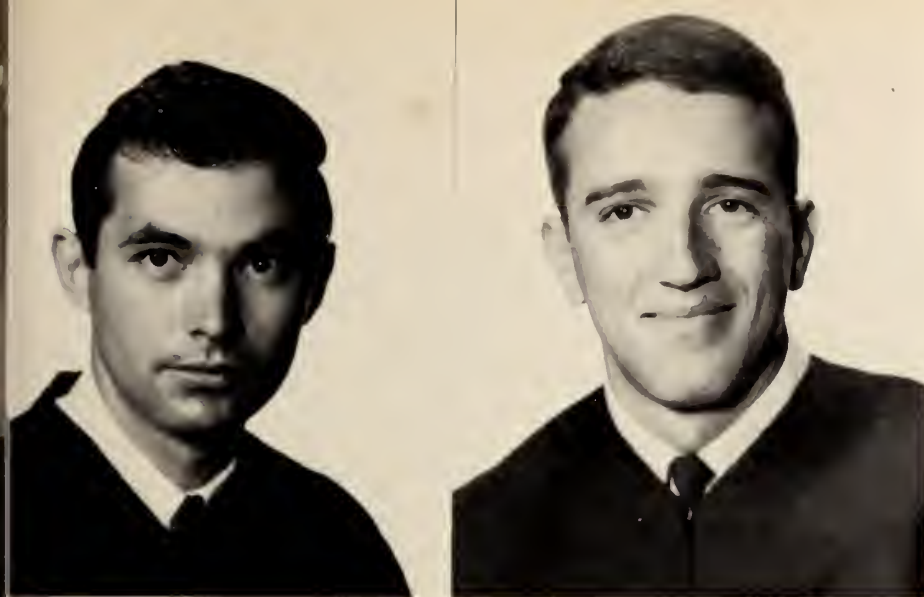

Intramurals

The Department of Health and Physical Education, in order to establish for the male student some kind of competitive and recreational activity, formed the intramural sports program.

This program was set up mainly for the male students who are not involved in the Varsity sports.

First Row: Mike Herron, Mike Woodruff, Ronald G. Walker, Steve Miller. Second Row: Jerry Kemp, Whit Creech, John Kelly, Jackie Lewis, Joe Jackson.

Jimmy Weems and George Younger garnered top honors in annual play in the Mid-South intercollegiate badminton tournament.

Epilogue

And that was the year that was—1968. As your Editor, I wish to thank all the members of the 1968 POTPOURRI staff for all their hard work and patience in compiling this year's book. If, by glancing through the preceding pages in years to come, at least some of the personality that was NSC 1968 can be revived and memories recalled, then our work has been successful.

For that is what a yearbook is. It is a personal account of events and activities that occurred during that year, and it is the hope of the Potpourri staff that this account in some way touches on that one reason for making this year unique for you.
